The Finest Water for Convenient Delivery at the Lowest Prices

Paradise Drinking Water offers the lowest prices for **home bottled water delivery** in Orange County, and we offer the finest quality drinking water available anywhere. Choose from our selection of 100% natural and naturally delicious bottled spring water, revolutionary alkalized Paradise P9+ water, and the best bottled purified water. Our water is so good, we bottle it for five other companies. And our delivery service is second to none; we provide the most affordable, customer-friendly and convenient bottled water delivery service in Orange County and beyond. Take advantage of our free water offer for new residential customers and receive three bottles of any of our water free of charge.

Bottle Sizes and Delivery Options

Our water comes in five gallon, three gallon, 1 liter or 1/2 liter bottles. (See our Water Products page for pricing and additional information.) We will deliver your spring, purified, or alkalized P9+ bottled water every two weeks per your specifications, whether you want us to leave your bottles on your porch if you're not home, or you'd like us to bring the bottles into your kitchen and place one on the dispenser for you when you are at home.

Superior Service Without Paying Extra

We're here to serve you and are happy to make any special arrangements within our means for delivering your bottled water, at no additional charge. If you run out of water before your next scheduled delivery, just give us a call and we'll deliver your water as soon as possible.* Our courteous, professional drivers are reachable by cell phone during delivery hours so you'll always be able to contact your driver with any questions, concerns or special instructions. Our drivers also carry purity testers with them at all times so that you can test the purity of your bottled water on the spot. And we encourage customers to let us know if there is anything else we can do to improve your experience with Paradise Drinking Water.
